**Re: EX PARTE
Wireless Termination Tariffs - Dkt. 01-92**

Dear Ms. Dortch:

On July 14, 2004, Harold Salters and Lorrie Turner of T-Mobile, USA, Inc. ("T-Mobile") and the undersigned of Morrison & Foerster LLP representing T-Mobile, met with Sheryl Wilkerson, legal advisor to Chairman Michael Powell, and Eric Gunning, summer intern, to discuss the above-referenced proceeding and to urge expeditious Commission approval of T-Mobile's long pending request that the Commission declare unlawful mandatory wireless termination tariffs. T-Mobile's representatives urged that the Commission find that rural local exchange carriers ("RLECs") can request a wireless carrier to begin interconnection negotiations and further that RLECs may file optional "opt in" interconnection tariffs. T-Mobile's representatives otherwise referred to arguments raised in an ex parte filed on July 9, 2004, that summarizes Commission and court decisions, adopted since T-Mobile submitted its request almost two years ago, that uniformly preempt mandatory default interconnection tariffs.

Pursuant to Section 1.1206(b)(1) of the Commission's rules, one copy of this letter and the attachment is being submitted with the Secretary's office for filing in CC Docket 01-92.

Sincerely,

/s/ Cheryl A. Tritt
